

Welcome to the Lawrence Central High School Bears Athletic Club (BAC). The BAC is a parent organization focused on supporting the student athletes of Lawrence Central High School. This organization operates in conjunction with the LC Athletic Directors and Athletic Department. Our organization believes that academics and athletics go hand in hand for the success of our children. The BAC is dedicated to the continued support of our student athletes, coaching staff, trainers, and athletic department programs.

The mission of the LC BAC is to:

- Support athletic and academic excellence in all student athletes
- Promote active and involved parent and community leadership
- Promote sportsmanship and provide supplementary financial support to all Lawrence Central athletic teams.
- Maintain the history and tradition of excellence, which exemplifies our student athletes, coaches, athletic trainers, and teams.

A small example of items BAC has supported this year includes, field equipment for the new football field, a new batting cage, warm-ups for the swim team, track equipment, video equipment for athletic evaluations, athlete physicals, and sport required foot ware. We also participate in, and support, football tailgate events and homecoming activities, Maroon Madness during basketball, and various other school spirit events.

Who can belong to the Bears Athletic Club?

The LC BAC is open to all interested parents, teachers, coaches, staff, community and corporate leaders and students. If our Booster Club is to be truly a representative body we need a representative from every sport at every meeting. Please consider becoming a representative for your team on our team!

When and where does the Booster Club meet?

The LC BAC meets regularly each month except in July and December. The meetings are held on the third Thursday beginning at 7:00 PM. The meetings are held in The Perk at Lawrence Central High School.
