Selection of Team Members

Decisions regarding the selection of team members will be made solely by the Marquette cheerleading coaches. The coaches will evaluate the candidates throughout the week on the items listed above. A variety of activities will be conducted during the week to evaluate the candidates. The coaches will use data from these activities, as well as, their daily observations to determine which students make the Varsity, JV, and Freshmen sideline cheerleading teams. Performances during the year for returning cheerleaders will also be considered (ability, responsibility, and attitude).

Continued →→→

The list of team members selected for each level of sideline cheerleading will be posted on the Marquette Cheerleading website after school on Thursday, March 15th at http://www.ihigh.com/marquettecheerleading/. If you do not have access to the internet, please inform the coaches prior to the end of tryouts and arrangements will be made to inform you of the results.

Team Sizes

The option of "split seasons" will be utilized. Prior to the tryouts, candidates will complete a form to state if they prefer to cheer in just the fall season (football, soccer, and varsity competition), just the winter season (basketball), or both. This option is available as long as there are sufficient numbers of cheerleaders for each season.

The number of members chosen for each team may vary. However, the following stipulations are in place:

- The Varsity Competition Team will have up to 20 competing members and up to five alternates. The selection of members for the Varsity Competition Team will also be determined by the coaches and in the same manner in which the sideline cheerleading team are determined. Seniors, Juniors, and Sophomores are eligible to try out for the Varsity Competition Team.
- Sophomores who make the Varsity Competition Team are required by MCCA rules to cheer with the Varsity Team during the Fall; and, if these sophomores choose to cheer for both seasons, they will cheer with the Varsity Team in the Winter as well.
- Juniors, Sophomores, and Freshmen are eligible to try out for the Junior Varsity Team.
- The Junior Varsity Competition Team will have up to 20 competing members and up to five alternates. The selection of members for the JV Competition Team will also be determined by the coaches and in the same manner in which the sideline cheerleading team are determined. Juniors, Sophomores, and Freshmen are eligible to try out for the JV Competition Team.

  - For any in-season major violation of the Rockwood Citizenship Policy.

  - Work related absences
  - Family vacation
  - Competitive cheerleading/dance/non-school sponsored sports and activities
  - Out of season school-sponsored sports (i.e. Track events during the Winter)
  - Illnesses not excused by a doctor's note
  - Detention/ISS/OSS
  - No ride or transportation (coaches can always assist in providing contacts for rides)
  - Senior Skip Days
  - Entertainment Events (concerts, ballgames, plays, etc.)

  - Any action, whether witnessed by a coach or reported to the coach by a member of the Marquette staff, that is unbecoming of a Marquette Cheerleader.
  - Grades, both academic and effort/conduct, that do not meet the required 2.0 GPA or 2 or better in conduct (benched until grades meet the requirements and effort/conduct has improved).
  - Assigned school suspension (ISS or OSS).
  - Any missed practice or game.
  - If a cheerleader is benched repeatedly for similar behaviors, the cheerleader may be dismissed from the team. This includes but is not limited to inappropriate behavior in or out of uniform, late arrival to games or practices, wearing the incorrect uniform, high rate of absences, etc.
  - All unexcused absences warrant being benched for two games plus additional duties/conditioning at the discretion of the coaching staff.
  - In ALL cases, if a cheerleader misses practice the day before a game, or a game, she may be benched.

  **The coaches reserve the right to bench girls when (time and date) they feel is appropriate. Benching may not always fall on the next game/cheering event.

Notes (absences):

- Practices and games can be excused through an academic excuse. A note from a teacher (or sponsor) explaining the reason for the absence is required prior to the missed practice/event. Academic excuses include study/help sessions with a teacher, a field-trip required for a class in which the cheerleader is currently enrolled, Youth-in-government trips, or musical/vocal concerts that affect grades. **At all times, students should make every attempt to meet with teachers before school for individual help or on days when it does not conflict with cheerleading.**
- All ACT prep classes should be taken out of season or at a time that does NOT conflict with cheerleading. Marquette is not the only school that hosts these classes. Other schools offer the same class at different times. The class is also available zero hour.
- **Seniors** are allowed 2 college visits **per year** as academic excuses. A note from a parent is required to prior to the absence. Coaches strongly encourage college visits to be scheduled around the cheer calendar.
- If a cheerleader misses a practice or game due to illness, the cheerleader must get a doctor's note to excuse the absence. If a game occurs the day following said absence, the cheerleader will not be eligible to participate in the next game due to safety issues.
- Regular doctor, dentist, orthodontist, etc. appointments should be made around the cheerleading calendar at all times unless discussed with a coach in advance.
