Mustangs Host Player Tryouts on Sunday!

The Indiana Mustangs are looking for new players in 2012 with tryouts scheduled for this Sunday, April 15th at 3pm. **Tryouts will be held indoors at Club Fitness/24 located at 3780 S. Reed Road (US-31), Kokomo, IN**. Tryouts are open to any player who is 18 years or older and interested in playing football for the 2012 season. The year represents the Mustangs 22nd season, and the team has earned the distinction as the oldest and most successful adult amateur football team in Indiana.

Players should report on Sunday at Club Fitness/24 by 2:45 pm for registration. Tryouts will begin promptly at 3 pm. Players should wear shorts and tennis shoes (no cleats). Players will be tested in the following events: 20-yard dash, pro shuttle, bench press for repetition, broad and vertical jump. The cost of the tryout is $20, and each player will receive a Mustang t-shirt for participating.

Following tryouts, there are three mini-camps scheduled for May 6th, 12th and 20th. Beginning in June, the team will practice in full pads every Wednesday between 7 – 9 pm. Once the team begins playing games each week, the team will only practice one night a week (Wed). The Mustangs are new members of the Mid-States Football League (MSFL) , and this league will provide some of the best competition in the Midwest. The Mustangs will play an eight-game regular season schedule with four home games in Kokomo. Five of the eight regular season games will be played in Indiana which will substantially reduce travel from the Mustangs schedule last year. The three remaining road games will be played in the Chicago area.

The Mustangs are always looking for quality players, dedicated volunteers and corporate sponsors. Advertising opportunities are available ranging from $50 - $2,500. For more information on the Indiana Mustangs, please contact either the Director of Marketing - Garrett Doan @ 317-698-2074 or Team President - James Stamper @765-451-0790.
