State Series Bike Shop/Factory and Trophy Team Sheet

1. Each Team may enter up to two (2) team sheets. Bike Shop/Factory sheets $20, Trophy sheets $10
2. Each Team may consist of no more than five (5) different riders-the fifth "optional" rider **must** be a girl or Pro.
3. You may use the same rider on two (2) different team sheets, but it must be in different classes-Class, cruiser, or open.
4. You must designate the class you are using for each rider.
5. Any one rider may compete for only one team throughout the duration of the series. All riders must be rostered.
6. Your team sheet must be turned in before motos are posted. Failing to do so will result in no points.
7. The team with the most points at the end of race is the daily winner.
8. Ties will be broken in the following manner to determine a winner:
   - The team sheet with the most 1st, 2nd, 3rd ...etc. place main event or overall total point finishes.
   - If the tie is still unbroken, a determination will be based on which riders qualified earliest:
   - Qualified 1st moto 1 point, 2nd moto 2 points, 3rd moto 3 points. Total points races will be calculated by the finishes in motos. Lowest points is the winner of the tie.
   - If a tie still exist, a coin flip will determine the winner.
9. Points are awarded based on the following table, Bike Shop/Factory uses all classes, Trophy uses Expert/Pro shaded area for all classes, **plus one point for each rider in the class:**
